Dear Community Supporter,

Hello, I am a committee member for the *Color My Future 5k Run*, and I am seeking community assistance for this special event for Pleasant Valley School.

The *Color My Future 5k Run* will be our biggest fundraiser of the year, and we hope to raise enough to give our students the best possible educational experience. All of the proceeds from this run will go toward increasing access to technology and improving the 21<sup>st</sup> century skills of our students (goals defined in Strategic Plan and LCAP.) With the funds from last year's *Run* we established a new computer lab equipped with 30 computers that is accessible to every student at Pleasant Valley. In addition, we were able to:

- Purchase 14 new computers and monitors and 6 tablets
- Purchase a new server
- Upgrade memory, Windows OS and Microsoft Office
- Purchase web-based language arts and math programs
- Pay for essential rewiring to support network and new lab

As we look to the future, we need your help to maintain and increase our student's access to and education in technology. This year we hope to achieve the following goals:

- Replace 20% of old desktop computers in the classrooms
- Replace 33% of laptop computers
- New LCD projectors for the lab and classrooms
- Class set of Chrome Books (or similar)
- Renew language arts and math program licenses

The *Run* will be held at 8:30 am on Sunday, March 29th, 2015 beginning at Pleasant Valley School. We are planning on having many participants who will be running, skipping, or walking on our behalf. **We are therefore asking for support from the community by way of sponsorship, donations, and prizes.** We are looking for local businesses to help sponsor the event and have many levels of sponsorship available. For those businesses that may not want to sponsor, but do want to get involved, we are also looking for raffle items such as gift certificates or other merchandise gifts. As Pleasant Valley is a public school, we operate under a nonprofit status and all donations are tax deductible. Our tax ID is 48-1295656.

Pleasant Valley is a one-school district and is one of the oldest school districts in San Luis Obispo County. It was established in 1884 and includes Kindergarten through 8th grade. Our small country school with 132 students has been hit hard by the state's budget cuts and current economic times. I know that times are hard right now, but I hope that you would consider helping our children. You are welcome to contact me for more information about becoming a sponsor or making a donation.

Sincerely,

Color My Future 5k Color Run Committee
